

TURKEY MEAT, SAUSAGES, DELI AND SEMI-FINISHED PRODUCTS

<https://www.abmagriculture.com/>

Turkey farming, slaughtering, cutting, turkey meat processing, and manufacturing of deep-processed turkey meat products. They manufacture all types of turkey meat products from whole turkey to deli meats and sausages.

A balanced approach to farming turkeys: professionally -equipped farms are located in ecologically clean areas in Eastern Europe's Carpathians mountains.

Animal health starts from feeds. The local partner produces its own nutrition for their turkeys at their division factory. It is the biggest fodder plant in the western part of the country, producing feeds for farm animals and poultry. The production capacity of the factory is 120,000 tons per year of high-quality farm animal feeds. The production process is totally environmentally sustainable.

Our team is often fine-tuning the growing process of the birds at each stage. Monitoring, caring and responding are monumental tasks. They keep building new facilities, implemented certifications, and followed quality standards and traceability systems at all stages of production.

- *1 feed mill*
- *118 000 sq.m. of farms*
- *Slaughterhouse and cutting plant with a capacity of 20,000 tons of turkey meat per year*
- *Processing plant with a capacity of 5000 tons of sausages and deli per year*
- *Semi-finished products factory*

A top-down view of a white plate featuring several slices of sous-vide chicken breast. The chicken is topped with a vibrant red sauce, possibly a tomato-based reduction. The dish is garnished with fresh green herbs, including pea tendrils and basil leaves, and a whole cherry tomato. A portion of white rice is visible in the background. The text "SOUS VIDE PRODUCTS" is overlaid in white, bold, italicized font across the center of the image.

A close-up photograph of three round, thick minced meat patties that have been grilled, showing distinct dark char marks across their surfaces. The patties are stacked slightly on a dark grey, textured slate platter. To the left of the patties are two stalks of green asparagus, also showing grill marks. In the background, a single red cherry tomato and a small purple vegetable are visible. The entire arrangement is set on a rustic wooden surface. In the foreground, there are scattered coarse salt crystals, black peppercorns, and a small sprig of fresh green herbs with a single red berry.
